KAISER PERMANENTE

A new partnership for us. True peace of mind for you.

We're thrilled to announce that **Spokane Health & Rehabilitation** is a proud **Kaiser Core** facility! This means an elevated level of care and seamless coordination for Kaiser Permanente patients transitioning from the hospital to our skilled nursing environment.

What Our Kaiser Core Partnership Means for You:

Dedicated Kaiser Physician Coverage: Enjoy peace of mind with daily physician rounds and 24/7 on-call availability.

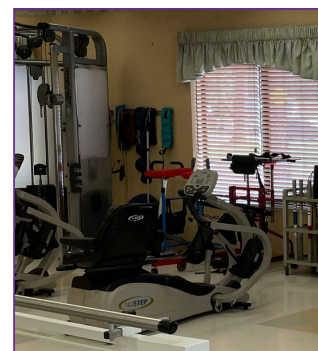

Enhanced Clinical Care: Our close collaboration with Kaiser Permanente physicians directly improves patient and resident outcomes.

Seamless Transitions: We ensure a smooth and efficient move from the hospital to our facility.

Integrated Kaiser Network Care: As a Kaiser Core Facility, we're fully integrated into the Kaiser Network for approved skilled nursing services.

Onsite Case Management: Our dedicated Case Manager provides comprehensive support for a successful transition from our facility back to your home.

Coordinated Physician Collaboration: We work hand-in-hand with all your Kaiser Network physicians while you're with us, addressing every aspect of your care needs.
